

Loan Against Bonds

Liquidity against eligible bonds

Aggressor acts as a mediator/facilitator in arranging finance from eligible financial institutions against eligible bonds.

Key points

- Certain associate-company bonds have been discussed with institutions for acceptance.
- Institutions may consider eligible bonds at face value subject to their procedures and transaction documentation.
- The lending institution makes the final credit decision.
- Where appropriate and with the client's consent, a client may be shifted between LAB and LAS structures.

Important terms

Eligibility, documentation, limits, pricing, sanction and availability are subject to the applicable product terms and the decision of the relevant institution/counterparty. This brochure does not constitute a guarantee of funding, return or approval.
